

RUSTIC CAFE

The Rustic Café was created by The Kent Companies in early 2008. Creating a rustic atmosphere and great home-style food was the focus of the new concept. It was important to develop the amazing local flavors and focus on grilled to perfection burgers and fresh baked pizzas. The root of this family-owned business traces back to E.L. “Buck” Kent, the Company’s founder of Kent Oil and Kent Distributors in 1957. Today, The Kent Companies still operate with the same attitude and spirit that made Buck such a success - hard work, dedication to our Team Members and Guests, and a never-ending drive to be the best.
